

CHANGE IN FILE STATUS  
APPROVAL FORM

DATE October 28, 1986

CURRENT FILE NO. ACT/003/002

RECOMMENDED FILE NO. INA/003/002

COMPANY AND MINE NAME American Stone Company - Stone Quarry

REASON FOR CHANGE IN FILE STATUS

In June of 1976 Ron Daniels and Jim Carter observed a small operating stone quarry north of Park Valley. American Stone held the claims to this BLM land. The Division requested that American Stone file with us, but no response was ever received.

Beverly Thomas of American Stone states that American Stone never worked the claims due to physical harassment by the Cattlemen's Association. Ron Daniels believes that the mine disturbed less than two acres when he observed it in 1976. We made an attempt to visit the Quarry on 10-23-86, but found our way blocked by locked gates. From a distance, the site appeared relatively small (especially when compared to the DOE just to the west).
